## **RISK MANAGEMENT TRAINING REQUIREMENTS FOR THE COAST GUARD AUXILIARY MARINE SAFETY QUALIFICATIONS**

**TRAINING REQUIREMENTS.** In collaboration with Auxiliary Leadership, the Offices of Safety and Environmental Health (CG-113), Boat Forces (CG-731) and Shore Forces (CG-741), the Office of Auxiliary & Boating Safety (CG-BSX) has established the following RM training requirements for members of the Auxiliary. The following are instituted immediately:

**TCT Refresher.** This course is required for specified competencies listed in Enclosure (1). It must be completed as soon as possible after completion of the Introduction to Risk Management course and then annually, no later than the end of the 15th month following initial TCT or subsequent TCT Refresher training. Auxiliarists needing a TCT Refresher session may work with their OIA, AUXLO, and/or DIRAUX/OTO to request TCT Refresher training using their district's process. Directors may grant waivers of TCT Refresher requirements if a lack of training availability will prevent a member from maintaining qualification. In such cases, the TCT Refresher must be completed as soon as possible.
